

GAME PROTECTIVE ASSOCIATION.

An Appeal to Feed and Protect the Birds.

A meeting of the Lancaster County Game Protective Association was held at the office of the president, Alderman Spurr, last evening. Candidates for the several offices of the association were put in nomination, to be voted for at the next meeting, which takes place on the second Tuesday of January. A resolution was adopted to procure from North Carolina as many partridges as can be obtained for stocking the grounds of the association and other parts of the county. In view of the severe weather and unusually heavy and long continued falls of snow it is feared that most of the birds will perish during the winter. Farmers are urged to protect and feed them as far as possible. The association offers to protect and feed during the winter all birds captured and handed to either the president or secretary, and to designate themselves to let the birds loose in the spring on the same grounds on which they are captured. It is hoped that farmers who have not facilities to house and feed the birds on their premises will avail themselves of this offer of the association.

Argument Court.
Court is still in session; the quarter sessions list was finished this morning. Several cases in common pleas and orphans court yet remain and they were begun this afternoon. The following in quarter sessions were disposed of:

In the matter of the opening of East Walnut street, Lancaster city, petition filed for opening, order issued to open.
In the matter of the opening of West Marion street, Lancaster city, petition filed for opening, order issued to open.
Commonwealth vs. John Sales, appeal from taxation of costs. Appeal stricken off.

Mr. Joy township road. Exceptions to report of re-viewers filed. Exceptions overruled, but report of viewers confirmed.

Here and There and Everywhere.
The mayor discharged seven lodgers and one drunk this morning.

Chas. Carr, for several years one of Carson's bill posters, will go with Barnum's circus the coming season.
Saturday next being the Feast of the Circumcision, a Catholic holiday of obligation, will be celebrated in the churches of this city with due solemnity. At St. Mary's first mass at 8 a. m., second at 9 a. m., vespers at 3 p. m.

In a shooting match at the Park house yesterday Peter Dommel and David Reese each killed four birds out of seven and for want of birds the tie was not shot off.

ASSAULT AND BATTERY.

And Violation of the Liquor Law.
Before Alderman Spurr this morning, on complaint of John E. Groff, D. C. Fleming, Jacob D. Warfel, E. C. Warfel and Edward Brubaker were arraigned to answer for assault and battery on said complainant, at a fox chase held on the 15th inst., at Intercession. After hearing the evidence the Alderman discharged E. C. Warfel and Edward Brubaker, and held D. C. Fleming and Jacob D. Warfel to answer at court.
J. D. Warfel was also held to answer at court for selling liquor to minors; and D. C. Fleming for selling liquor on Sunday.

Runaway and Narrow Escape.

Yesterday afternoon Lewis Smith's horse, while attached to a sleigh, took fright in Arch alley, upset the sleigh, threw Mr. Smith out, and on reaching Chestnut street, made a short turn and ran upon the steps in front of Henry Andrews's house and wrecked the sleigh. Mrs. Daniel Erisman was walking on the pavement in front of Mr. Andrews's at the time, and a little girl was standing on the steps, and yet the horse passed between them without hurting either of them. The horse was caught near Prince street.

Mr. C. C. Bent, who for several years was superintendent of the Pennsylvania railroad between Columbia and Gettysburg, is in town on a short visit. He is now engineer of maintenance of way on the C. & L. railroad between Columbia and Indianopolis.

The Cornerer vs. the County.

Yesterday the coroner held an inquest, and this morning he entered suit against the county, before B. F. Groff, esq., for the payment of his bill. The commissioners have adopted a resolution by which the coroner's bills will not be paid for 10 days so that persons may have an opportunity of objecting to them. The coroner thinks they must be paid whenever presented and he has, therefore, brought suit.

Running Away With a Sleigh.

Yesterday Benj. Snively and his sister Maria, of West Willow, were returning from Pequea Valley when their sleigh was upset. Both were thrown out and not injured. The horse ran back to the valley where he was caught before he had done any damage to the sleigh.

Held for Court.

Alderman A. F. Donnelly this morning committed Albert Arndt to jail to answer at court the charge of larceny.

A Thriving Business.

Messrs. Williamson & Foster, the enterprising dealers in clothing and gentlemen's furnishings goods, 35 East King street, have been doing a thriving business during this holiday season, which they mean to maintain by courteous treatment and safe dealing with their customers. Visitors to this establishment seldom leave the store without effecting a satisfactory purchase and feeling the desire to call again. Their stock of clothing, overcoats, and indeed all outer and inner garments and furnishings goods for gentlemen is exceptionally large and their prices are always low.

The Union Fair.

She has now worn a Day's Kidney Pad for four weeks, is free from pain, and believes herself entirely cured.

What a Pity
that the otherwise beautiful girl should have such bad teeth. And all because she did not use SOZODONT. It costs so little to buy it considering the good it does, and its benefits stretch out into her future life. Poor girl!

The Doctors Disagree.

As to the best methods and remedies for the cures of constipation and disordered liver and kidneys. But those that have used Kidney-Water, agree that it is by far the best medicine known. Its action is prompt, thorough and lasting. Don't take pills, and other mercurials that poison the system, but by using Kidney-Water restore the natural action of all the organs.—New Concord.

Short Breath.

O. North, of Manchester, Ontario Co., N. Y., writes: "I obtained immediate relief from the use of Dr. Thomas' Electric Oil. I have had asthma for eleven years. Have been obliged to get up all night for ten or twelve nights in succession. I can now sleep soundly all night on a feather bed, which I had not been able to do previous to using the Oil."

New Jersey Wine.

This wine for sickness has long been in popular favor, but by no means interesting in its nature. We refer to Speer's Port Grape Wine, which has been introduced into the hospitals and among the first families in New York, the principal drug stores in this city, by Alfred Speer, of Passaic, N. J., who has devoted himself for many years to the cultivation of the Port Grape, and the study of fermentation, and producing an article, the medicinal properties of which are said by gentlemen of reputation to be unsurpassed. Mr. Speer tempts his wine by a new process, peculiar to himself, without the addition of sugar or spirits. We doubt whether there is a wine in the old or new world that can yield a wine at all comparable to this richness or delicacy of flavor. All first class druggists keep it.
The above extract from the New York Herald shows the appreciation in which Speer's wine is held abroad. We have drawn the wine and can truthfully endorse what the above extract says concerning its good qualities. The wine in which it is contained by Mr. Speer gives it a flavor far above any wine we ever drank.

2nd Edition of Job.

Mrs. O'Brien, N. Division street, Buffalo, says: "I cannot too highly thank that I was induced to try your Spring Blossom. I was at one time almost blind and could not see again. I seemed to be a second edition of Job without his patience; my face and body were one vast collection of boils and pimples; since taking a bottle of your Spring Blossom I am quite cured, all eruptions have disappeared and I feel better than I have in a long time. Price, 25 cents; trial bottles 10 cents."

Wonderful Results.

Robert Sublock, Cedar Rapids, Iowa, writes: "I have used Dr. Thomas' Electric Oil both for myself and family for Diphtheria, with the very best results. I regard it as one of the best remedies for this disease, and would use no others."
Pope & Bitlan, druggists, Cedar Rapids, Ia., write: "We have never sold any medicine that gives such satisfaction to the customer and pleasure to the seller as Dr. Thomas' Electric Oil."
